

Author contribution form

The authors should certify their contribution to their manuscripts beginning from the planning of their research, until the publication step.

Authors make substantial contributions to conception and design, and/or acquisition of data, and/or analysis and interpretation of data;

Authors participate in drafting the article or revising it critically for important intellectual content;

Authors give final approval of the version to be submitted and any revised version.

Please type each author's Name-Surname next to the appropriate category, sign and upload the document to the on line system of the Turkish Journal of Geriatrics with the article together.
