The authors should certify their contribution to their manuscripts beginning from the planning of their research, until the publication step.

Authors make substantial contributions to conception and design, and/or acquisition of data, and/or analysis and interpretation of data;

Authors participate in drafting the article or revising it critically for important intellectual content;

Authors give final approval of the version to be submitted and any revised version.

Please type each author’s Name-Surname next to the appropriate category, sign and upload the document to the online system of the Turkish Journal of Geriatrics with the article together.
