

## FROM THE EDITOR IN CHIEF

The upcoming education activities of Turkish Geriatrics Society are;

The 4<sup>th</sup> course on scientific research in the field of geriatrics which will be held on the 21<sup>st</sup>, Sept, 2019 in Ankara. Trainers who are experienced in research methodology and scientific writing in geriatrics and gerontology will take part during this interactive course, aiming to support the young academicians and to increase the awareness about geriatric research.

The 7<sup>th</sup> Geriatrics and Gerontology course, organized by Turkish Geriatrics Society and Hacettepe University Research Center of Geriatrics Sciences-GEBAM by the support of International Institute on Ageing-INIA will be held in March 2-6, 2019 in Ankara. All the aspects of geriatrics and gerontology will be discussed by the experienced academicians.

The details of these courses are announced on the website of Turkish Geriatrics Society and the board of directors is honored to invite you to these scientific events.
