

Checklist Before Submitting Articles 2025

All of the articles submitted to the Turkish Journal of Geriatrics should fit to the “**Information to authors**’ details on the journal web site.

The review process will not start until all the below steps are completed.

- 1-Letter of submission written for the chief editor.
- 2-E-mail address as well as institutional postal address, official telephone number of the corresponding author.
- 3-Affiliations (in English) and ORCID numbers (<http://orcid.org>) of all the authors.
- 4-English heading.
- 5-English “structured” abstract (250 words at maximum).
- 6-English key words in accordance with Medical Subjects Headings-MeSH List (up to 6 words) (<https://meshb.nlm.nih.gov/search>)
- 7-Article divided into appropriate sections.
- 8-All figures (with legends) and tables (with titles) cited (should be 5 at maximum)
- 9-Complete and accurate references (references should be 25 at maximum with the doi numbers) written according to the rules and of the journal.
- 10-Articles should not exceed 4000 words (including the abstract).

*For the language editing of the article and to get the “**Formal Certificate of Language Control and Correction**”, authors can contact to the below addresses:*
